DPD-3675-61

13 June 1961

MEMORANDUM FOR : Chief, Materiel Staff, DPD-DB/P
SUBJECT : Twin Helio Modification

25X1A

1. [] has proposed a modification to the twin engine airplane engine cowlings. This proposal is to replace the cowling hinges with Camloc fasteners. The cost of this improvement is \$1032.12. Activity Program Number DPD-7505-60, dated 6 October 1960, provided funds for such a contingency.

2. Please arrange the necessary transfer of funds to E-H for payment of this modification upon completion.

a. Modification to two airplanes	\$1032.12
b. E-H handling fee of 1%	<u>10.32</u>
Total	\$1042.44
